COME AND PLAY WITH US!

Hello and welcome!
We go to a special place every day
where we do lots of fun things together:
it's our Colourful Crèche.
Today you'll meet three children from the crèche.
We are Sofia, Enes and Amir!
Take a look at what we're doing today.

This is us!

This is the Penguin group with all the children and our teachers.

There's the mouse!

?

? There is a small mouse hiding on every page. Can you find it? If you like, you can choose a child from the group photo. What are they doing today? Tell me about it. Can you find two animals that also go to the Colourful Crèche? What are they doing today?

Our parents bring us to the crèche every morning. We are in the Penguin group. Sofia is cheerfully waving to her father. Amir is putting on his slippers all by himself. Why is Enes crying?

Tell me: Do you also go to a crèche? Who are your friends there?

Same thing every day!
